HEAVY FIGHTING CONTINUES, WITH RUSSIAN FORCES WINNING GROUND

Two Great Attacks Underway. Slavs Intending to Enter Balkan Operations: Plans to Better Positions.

TURKISH TROOPS LAUNCH DE ATTACK IN WEST BALKANS

Agents Experts Hold it. Turk Muscovite Advance Now Extends Some Distance Beyond the Stripla River.

(By Evening Herald Leased Wire) London, Jan. 3 (Cable).—The latest dispatches from the southern extremity of the Russian front indicate that heavy fighting is continuing with the Russian army of General Korniloff's winning ground.

One correspondent reports that these operations begin with an offensive movement on the part of the Austrians, designed to straighten the line and that after repulsing this attack, the Russians assumed the initiative. It is evident that the Russian advance has now extended a considerable distance beyond the Stripla river.

In other dispatches it is asserted that two great offensives are being conducted by the Russians, racing off toward the Taurida, while the Germans, much more slowly, are advancing through the Dniester valley. The Turks expected from General Korniloff's

the only American who perished.

The passengers numbered something more than 200 and there were between 200 and 300 members of the crew, so that apparently the death list will run largely in excess of 200.

There is much speculation as to the possible influence of this event on the negotiations which are in progress between the United States and Austria.

Whatever may be the facts, there is no doubt that the result of those operations will have an important effect on the Balkan campaign, especially in their bearing on the Russo-Bulgarian alliance.

It is reported with increasing frequency that the several powers are preparing an alliance on Sarajevo, and the 20th seems to be approaching, as the Russians, with Bulgaria, much more slowly, are advancing through the Dniester valley. The Turks expected from General Korniloff's

the only American who perished.

Loss of Life in Sinking of the Persia Remains Matter of Doubt

Latest Advices From Cairo and Alexandria Indicate Landing 168 Survivors, 59 of Them Passengers.

NO WORD AS YET ABOUT U. S. CONSUL MCNEELY

Edward Rose, Denver Boy, Did Not Land at Gibraltar. Is Report From Reuter's Correspondent at Fortress.

(By Evening Herald Leased Wire)

New York, Jan. 3 (Cable).—The latest advices from Cairo and Alexandria indicate that 168 survivors have been landed, of whom 59 were passengers. Hope that others have been saved is diminishing, as two days have now elapsed since the vessel was destroyed.

No further word has been received concerning Robert N. McNeely, American consul at Aden, Arabia, and there seems to be little doubt that he was drowned. The safety of Charles Grant of Boston having been established, it is thought Mr. McNeely was the only American who perished.

EDWARD ROSE, CITIZEN OF UNITED STATES, DID NOT LAND

London, Jan. 3 (Cable).—Denver's correspondent at Cairo advised that Edward Rose of Denver who sailed from England on the Persia did not land at Gibraltar.

The accuracy of the correspondence information is questionable inasmuch as it is regarded unlikely that Rose would have proceeded onward to England without some knowledge of the route from Suez.
